For Your Urgent Attention

Dear Valued Member,

February 11th 2016

We really appreciate your loyalty and support over the years and the sacrifices you have made to enable us to keep running as a political party.

Although Rise up Australia Party is a minor political party at this stage, we have managed to influence Government more than any other minor party of our calibre. We have been more vocal than most and will not be compromised in what we stand for, although there have been attempts to do that we have stood our ground.

I am sure you are aware that the Federal Elections are due to be held around September/October this year. Although no date is definite, this is the time frame that has been indicated by the Prime Minister Malcolm Turnbull, and because of election regulations cannot be held earlier unless there is a double dissolution.

The Party has seven months for its campaign but due to our low finances we are limited in what we can do and really need your help. We have no Government funding and no big business from whom we can draw. Therefore we are asking if you are able to pledge an amount, whatever is affordable, for the next ten months, this would be a great encouragement to us. The fact that we are not receiving money from big business has its positive side, it means that we do not have to dance to their tune, and we can make decisions that are not compromised by the promise of money.

We understand that some of you are already pledging or contributing on a regular basis and we in no way want to put you under any additional burden, but for those that feel they are able, we would be grateful for your support.

Also we are seeking applications from prospective Candidates: We need people who have a passion to keep Australia Australian, who love this country, value our way of life and seek to promote Judeo Christian values for the betterment of all peoples. Please contact Yvonne Gentle on: Ph. 0414 870 453 or email her at ygent@riseupaustrialiparty.com for discussion on this.

Thank you so much for taking the time out of your busy day to finish reading this letter. We look forward to hearing from you if you are able to be of assistance.

May God bless you and have a great day.

Kind Regards,

Dr. Daniel Nalliah
National President
