Dear Member,

Thank you so very much for your faithful support of RUAP in the last Federal election. Your help and support has definitely had a great impact in our nation.

You might be wondering how that happened??

Well I think we can boldly claim that we were the only party which had a clear policy against Multiculturalism, while most people backed off because of Political correctness.

In some very important meetings we had with the key leaders in the Liberal Party, I and two other RUAP National Board members had the opportunity of addressing some of the following issues that were Rise Up Australia Party policies.

- 1) Multiculturalism.
- 2) The name of the Immigration Department (which was called under the ALP "Immigration and Multicultural Affairs").
- 3) The need for people who move to Australia to integrate and embrace our way of life.
- 4) That when RUAP are in government we will push for "Values" rather than "Ideologies"
- 5) Freedom of Speech.
- 6) Adoption laws to be made more accessible.
- 7) School Curriculums to include Australian heritage, which is based on Judeo Christian values.

Well we are very happy to inform you that in the first few months of taking office, PM Tony Abbott has already acted on all of the above.

- 1) The Portfolio of Minister for Multicultural Affairs office no longer exists in parliament.
- 2) The Immigration Department has been renamed to "Immigration and Border Protection".
- 3) PM Tony Abbott stated "If you come here, become like us. Do not expect us to become like you".
- 4) In Government House he stated "I will run this country based on Values and not on Ideologies".
- 5) The new Human Rights Commissioner Mr Tim Wilson stated that he will do everything possible to give full rights to "Freedom of Speech".
- 6) Currently the government is talking about making adoption laws much easier.
- 7) A 3 member committee has been appointed by government to revamp our curriculum to include our Judeo Christian heritage.

Rise Up Australia Party accepts that this is now Liberal Party policy, and we applaud and congratulate PM Tony Abbott and the government. However, I am sure all will agree with us that it was RUAP who shouted the loudest on the above mentioned issues, and we humbly thank God for seeing these policies being implemented.

We also thank the current government for bringing in another of our policies that of “Stop illegal boat arrivals”. We are fully aware that this was also their policy when they were in power the last time, but it was good to see it done so quickly and efficiently. The good news is that this horrible crime of people trafficking has now almost stopped.

We now intend to contest the Victorian State Election which will be held this year in November, and in order to do this we need to separately re-register the party in Victoria. We need your valued support. Would you please fill in the attached form **and return it to us ASAP**.

We will be registering your name with the Victorian Electoral Commission (VEC) as a member, and they will then send you a letter asking you to verify that you are a member of the Party. You will need to confirm this by return mail to the VEC before you are counted by them as being a member of the Rise Up Australia Party – Victorian Division.

If you are a current member living in Victoria, you automatically qualify to be a member of the Victorian Division, and if you feel strongly about the issues raised herein and would be happy to be a candidate, please email our Victorian State President, Yvonne Gentle at:-
yvonnegentle@riseupaustrialiparty.com

We are also about to start a membership drive to recruit **new** members into the party, so if you know of family or friends who you think would like to become a member of the party, **please get them to fill out the enclosed membership form and return it to us**. Feel free to copy the enclosed form if you need more.

Also if you would like to make a donation of any amount, we would be very grateful as there are always high costs with contesting an Election.

We are committed to fight against the up to 9 month abortion laws in Victoria. Your help and support will help us take this fight into parliament, where we will continue to fight to **Keep Australia Australian**.

Yours sincerely,

Daniel Nalliah
National President
